EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John Lastova on July 25th, 2005.

The application has been amended as follows:

Claim 12 has been cancelled.

2. Claims 1-11 and 13 are allowed.

3. The following is an examiner's statement of reasons for allowance: Prior art discloses photoelectric coveting means for receiving an optical signal and converting the optical signal into an electric signal; output means for outputting a digital signal in accordance with the electric signal; and the output means including output slew rate changing means for changing a slew rate of output of the output means. Prior art does not disclose a power source voltage detection means controlling the slew rate of the output of the output slew rate changing means in accordance with a change in the power source voltage and an erroneous operation detection means performing, when the erroneous operation detection means detects the erroneous operation, such control that a transmission speed of the output slew rate changing means is decreased.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tony Ko whose telephone number is 571-272-1926. The examiner can normally be reached on Monday-Friday 7:30 - 4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Dave Porta can be reached on 571-272-2444. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
